**Sources of Planet Energy, Environmental & Disaster Science
(SPEEDS-2026): Hills Ecosystem and Human Survival.**

Seminar Venue: School of Management Sciences, 19th Km Stone, Kashimpur-
Biruha, Lucknow-Sultanpur Road, Lucknow-226501

Dear Sir/Madam,

Chair

Prof. (Dr.) Ashish Bhatnagar

We have pleasure in informing you that **School of Management Sciences, Lucknow** is organizing an National Conference on "**Sources of Planet Energy, Environmental & Disaster Science (SPEEDS-2026): Hills Ecosystem and Human Survival**" on **27-28 June, 2026**, in association with **Dr. A.P.J. Abdul Kalam Technical University, Uttar Pradesh, Lucknow, The Institution of Engineers(I), UP State Centre, Lucknow**, which will provide a good platform to present your technical papers and also an opportunity to have an interaction with Researchers, Academicians and Industrialists.

Co-Chair

Prof. (Dr.) Bharat Raj Singh

The Theme of Conference is: What are the causes of environmental changes & How it could be controlled? What are the reasons for global warming and causes for disaster and how these challenges can be overcome? How to foster the renewable energy and make planet full of sustainable energy?

Convener

Dr. Arunesh Kr. Srivastava

You are therefore requested to kindly submit your abstract latest by **June 10, 2026** at **smsspeeds@smslucknow.ac.in**. After getting approval from the reviewer committee you can send your full length paper for presentation in the Seminar.

Organizing Secretary

Dr. Asha Kulshreshtha

It is to confirm that the **Selected Papers** shall be published in **Reputed Journal**. The areas of discussion are as follows:

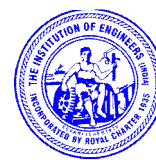

Co.-Organizing Secretary

Dr. Pushpanjali Singh

- i) Sustainable & Renewable Energy in Mountain Terrains:
- ii) Hill Ecology, Biodiversity Conservation, and Water Security:
- iii) Climate Change Impacts, Landslides, Floods, and Earthquakes:
- iv) Environmental Governance, Community Resilience, and Livelihoods:
- v) Science–Policy Integration for Disaster Preparedness and Mitigation
- vi) Other Emerging area of Science Technology & Management (Connected with Theme)
